

# KĀPILI MAUI

*The American Council of Engineering Companies Hawaii (ACECH) joined forces with the Hawaii WEA (HWEA), American Society of Civil Engineers (ASCE) Hawaii Section, American Water Works Association (AWWA-HI) Hawaii Section, Hawaii Society of Professional Engineers (HSPE), Institute of Electrical and Electronics Engineers (IEEE) Hawaii Section, and Structural Engineers Association of Hawaii (SEAOH) to form **Kāpili Maui** (Kāpili translates to: build, put together, mend, fix, repair, unite).*

**Kāpili Maui** is starting a scholarship fund for students that have been impacted by the August 2023 Maui wildfires. The goal is to set up a scholarship fund to support an entire generation of students whose lives have been impacted by the wildfires.
